ECZEMA CAN BE CURED.

The most agonizing, humilitating, itching, scaly, and burning Eczema are cured by the CUTICURA Remedies, which, by their action on all other remedies fail.

I have been afflicted since last March with a skin disease the doctors called Eczema. My face was covered with scabs and sores, and the itching and burning were almost unbearable. Seeing your CUTICURA REMEDIES so highly recommended, concluded to give them a trial, using the CUTICURA and CUTICURA SOAP externally, and a RESOLVENT internally for four months. I call myself cured, in gratitude for which I make this public statement.

Mrs. CLARA A. FREDERICK, Broad Brook, Conn.

Eczema Three Years Cured.

CUTICURA REMEDIES are the greatest medicines on earth. Had the worst case of Salt Rheum in this country. My mother had it twenty years, and in fact died from it. I believe CUTICURA would have saved her life. My arms, breast, and head were covered for three years, which nothing relieved or cured until I used the CUTICURA RESOLVENT.

J. W. ADAMS, Newark, O.

Eczema on Baby Cured.

My baby has been troubled with eczema on his face, neck, head, ears, and entire body. He was one mass of scabs, and we were obliged to tie his hands to prevent his scratching. I have spent dollars on remedies without effect, but after using one box of CUTICURA and one cake of CUTICURA SOAP the child is entirely cured. I cannot thank you enough for them.

W. BROWN, 12 Mull St., Brooklyn, E. D., N. Y.

Eczema on Hands Cured.

Two years and a half ago Salt Rheum broke out on my right hand. It appeared in white blisters, attended by terrible itching, and gradually spread until it covered the entire back of my hand. The disease next appeared on my left hand. I tried many remedies, but could not cure until I obtained the CUTICURA REMEDIES, which effected a speedy and permanent cure.

A COFFIN IN WAITING.

Actor Kyrle Bellew Makes an Impression.

INDIANA GAG RULE ADOPTED.

The '49s—Fortieth Anniversary of Their Departure—Thieving Railroad Men—The New Bishop.

A Love-lorn Maiden.

New York, January 18.—The eccentric Miss Harriet Coffin, heiress, formerly of Cincinnati, whose mad infatuation with Actor Kyrle Bellew has in the past tempted her to brandish knives and revolvers, and caused her sanity to be questioned, created a disturbance at Palmer's Theatre to-night. Bellew is supporting Mrs. James Brown Potter. Miss Coffin called at the stage entrance for the actor with a 32-calibre revolver in her pocket. He saw her and she raised such a rumpus that she was arrested and locked up. She was charged with carrying a concealed weapon, and being disorderly. On her person was a large sum of money, and \$1,700 in checks drawn on her bank account. She vigorously resisted being searched and

KICKED AN OFFICER.

A note book with many suggestive remarks about Bellew was found on her person. A sample of the memorandum is this: "I—Strength falling fast; shall die? Bellew is to blame." "Very strange, and feeling the same; feeling that Bellew gave me on the stage when I sat in Adonis; says he can kill me, if I say it is his fault. He is my passion. He has control of my whole business. He gives me to understand that I fear him." A revolver, a five-chambered 32-calibre weapon, which was not loaded, was found in her pocket, together with a box of arsenic wafers, two handkerchiefs, a bottle of cough medicine and her well-known note book.

The Old '49s.

New York, January 18.—The fourteenth annual dinner of Associated Pioneers of the Territorial days of California and a reunion of '49s, took place to-night. It was the fortieth anniversary of their departure for the gold fields. United States District Attorney Wilbur, of Brooklyn, made the salutatory address, which called forth many recollections of the days of the gold fever. General John C. Fremont, who was to have responded to the toast "The Army and Navy," sent a letter of regret at his inability to attend. Similar letters from Generals W. T. Sherman, Demar, Strong and William B. Hampton were read.

Fire Damp.

LONDON, January 18.—There was an explosion of fire damp to-day in the Hyde Colliery, near Manchester. Seven bodies have been taken from the mine. One hundred persons still entombed. Twenty-five persons were killed. Later estimates place the number of killed at thirty.

Suicide Together.

PARIS, January 18.—A young woman and a man from Lyons were found dead in a room in a hotel at Monte Carlo, to-day. In a letter to their friends they said they had suffered losses at the gaming tables and intended to commit suicide together.

Fire Record.

ST. PAUL, January 18.—The general offices of the Chicago, St. Paul, Minneapolis & Omaha road were partially destroyed by fire to-day. Several clerks jumped from the second story and were quite severely injured. Total loss, \$40,000.

The Mud Run Cases.

MACON, Ga., January 18.—The grand jury, in the Mud Run cases, to-day returned three bills of indictment against Engineer Major and Flagman Hannigan. The cases against Conductors Terry and Keith and Lookout Mulhorne were ignored, the costs being placed upon the county.

A New Bishop.

COLUMBUS, O., January 18.—Dr. J. Mills Kerrick was to-day consecrated bishop of New Mexico and Arizona for the Protestant Episcopal Church. The new bishop will make Albuquerque, N. M., his headquarters.

Stealing Ties and Rails.

TAMMONT, N. J., January 18.—A serious defalcation by officials of the Pennsylvania railroad has just been brought to light. It appears that J. J. Cox, assistant supervisor of the New York division of the road, and W. A. Powell, supervisor for some time have been collecting old ties and rails along the division and disposing of them to private parties and appropriating the funds to their own use. Both men have been arrested and placed under bail. The examination is still going on.

Abolished the Duty.

WASHINGTON, January 18.—The Department of State is informed that the Japanese government has abolished the export duty on drugs, woven goods, timber, cereals, spirits, beasts, fowl, etc.

Skull and Crossbones.

GREAT BARRINGTON, Mass., January 18.—The great strike at Warren Mills in Housatonic is virtually ended. The superintendent is retained, also the two weavers, Prest and Audibert, who were so severely assaulted by White Caps, who persist in posting their notices. A message was received to-day by the Associated Press representative at Great Barrington, as follows: "We hereby warn you not to come to Housatonic to get news against our organization. Let this be sufficient warning and bear in mind we shall not allow it." [Signed] "SKULL AND CROSSBONES."

The Parnell Commission.

LONDON, January 18.—When the Parnell Commission met this morning, R. T. Reid, M. P., one of the counsel for

the Parnellites, called the attention of the court to the placard issued by the Sheffield Telegraph, on which was printed the words, "The League murdering confession in open court." Justice Hannan requested the matter to be embodied in the affidavit. Captain Plunkett, chief of Cork police, testified that he knew of no support given tenants on non-payment of rent and resistance to eviction except that given by the Land and National Leagues. Matters have improved since the passage of the coercion act. Captain Plunkett, on cross-examination, created a sensation by stating that he had heard Father O'Connor, parish priest of Fanes, denounce a farmer named Curtin, and that a week later the farmer was murdered. Replying to Davitt, witness admitted that he had met secretly in Cork, in 1883, the Irish-American McDermott. He declined to say whether or not he knew McDermott as a paid agent of the police.

British Bids.

LONDON, January 18.—In connection with the recent quarrel in the Artists' Club, Stott writes ridiculing the idea of Whistler's insulting him. Stott bids that he gave lessons to Whistler which the latter took quite gently.

De Lesseps.

PARIS, January 18.—Of the new Panama Canal Company M. De Lesseps will be president and his son Charles vice-president.

A Checkmate.

GENEVA, Ill., January 18.—The defense in the Bauerisen dynamite case has presented their motion for a new trial to-day, before Judge Wilson. Among other important points the defense made was that in every count of the indictment Bauerisen was charged with having committed a felony, and proof on the part of the prosecution warranted the conclusion that he was guilty of a felony, while the jury simply found him guilty of a misdemeanor. This point rather nonplussed the railroad attorneys, and they asked for time to present authority on the question. Judge Wilson set the case for further hearing for next Wednesday.

Keeping Cases on him.

INDIANAPOLIS, January 18.—The Senate this afternoon adopted practically the same rule known familiarly as the "gag" rule, which was adopted in the House a few days ago, cutting off all debate or speeches of heretofore privileged character, after the previous question has been put. The Republican majority fought desperately to prevent its adoption, but in vain. Another and equally important new rule was adopted at the same time, providing that if the presiding officer of the Senate, who is the Republican Lieutenant-Governor, refuses to put a motion, or is dilatory in doing so, any two Senators may call upon the Secretary of the Senate to put the question to vote.

The Pope is Pleased.

ROME, January 18.—Le Monitor Democ says: The Pope has not demoralized American bishops on account of the progress of Socialism among the Catholics. On the contrary, the paper says, His Holiness has ennobled the religious zeal and activity displayed by the Catholics in America.
